## POINTS OF INTEREST

---

**Aeolian Islands** The natural beauty of these seven islands creates a distinctive setting for a variety of activities. The islands pose a natural beauty enhanced by endless beaches, bays, grottos, and inlets. Geological and volcanic phenomena are abundant on all islands. There are plenty of lovely sites to go hiking, scuba diving, kayaking, paddle boarding, and snorkeling.

**Tindari** anciently Tyndaris or Tyndarion is a small city in the *comune* of Patti, in the Province of Messina in Sicily, between Barcellona Pozzo di Gotto and Cefalù. Tindari has a famous sanctuary and is also famous for the poem "Vento a Tindari", written by Salvatore Quasimodo
